BREAKAWAYS – PURE ENTERTAINMENT!

At Butlins we've got the perfect break for you, whatever your taste! Our Winter Breakaways operate from October to May and are themed weekends or midweek breaks.

We introduced our break rating system to help you easily identify the right break for you. U is fun for all the family, PG is for adults and older children and 18 is just for adults.

A HUGE CHOICE OF THEMED BREAKS

This year we've a massive choice of Breakaways with many old favourites like our 60s and 70s Music Festivals, as well as popular breaks such as Sounds of the 80s, Chart Busters and Rock & Blues. And you can look forward to even more star names for 2002! The likes of David Essex, Mike Reid, Jethro and Sacha Distel will all be visiting!

We shall also be continuing with our Arena Concerts at Minehead. In the past Steps, 5ive, Ronan Keating, S Club 7, a1, Atomic Kitten and many others have graced the stage. We're currently talking to some of the hottest names around to see who'll be appearing this November.

YOUR BUTLINS BOOKING POLICY

At Butlins, we've got the perfect break for you, whatever your taste. And we understand that at different times of the year, you may want different types of holiday. To help you choose the break that's best for you, just look at our ratings system, choose your Resort and check the entertainment guide.

THREE RESORTS

Choose from three destinations, Bognor Regis, Minehead or Skegness

BUTLINS RATINGS SYSTEM FOR U, PG AND 18 BREAKS

This ratings system is designed to ensure that you spend your break with guests with similar tastes and needs, therefore making sure that the atmosphere is right for you. Activities and entertainment will vary according to which rating of break you have chosen. The following pages contain a detailed list of facilities available on each break.

U

U breaks are for families with children of all ages. They will feature entertainment specifically for children, as well as evening shows geared towards the whole family.

PG

PG breaks are for adults and families with older children, and are more focussed on themed entertainment rather than children's activities.

18

18 breaks are just for adults and will feature themed entertainment – you will find no children at all on these breaks.

U, PG AND 18 BOOKING POLICY

To ensure that the correct atmosphere is maintained for each different break, we have developed a booking policy for each rating

To achieve a friendly, family atmosphere Butlins will not normally accept bookings on our family 'U' category breaks from all male or all female adult parties:

- of 4 or more whose members are aged predominantly 16 to 21
- of 8 or more whose members are predominantly aged under 30

During our 'PG' category breaks, we will not normally accept bookings from all male or all female parties of 8 or more whose members are aged predominantly 16 to 21. All male or all female parties of more than 12 members aged predominantly under 30 should give details of their party and obtain our specific approval prior to booking.

During our '18' category breaks, no-one under the age of 18 will be allowed onto the Resort. We will operate a more relaxed policy in relation to all male or all female parties. However, those with more than 20 members, aged predominantly under 30, should still give their details and obtain our specific approval prior to booking.

We will review requests for exceptions on their merit but, should any such party arrive at a Resort without prior written approval, they will be refused entry. We also reserve the right to decline other bookings. All bookings for any break which include under 18s should include a responsible adult who is at least 25 years of age.

SUMMER ENTERTAINMENT

For details of all the fantastic entertainment on offer for Summer 2002 holidays, just turn to pages 20-31. Plus for details of our large variety of themed Breakaways see pages 40-53.

HOLIDAY INSURANCE

Travelling either abroad or in Britain can become distressing if problems occur. Most people automatically take insurance if going abroad. We strongly recommend that similar insurance be purchased when taking a break in Britain.

- **Personal money** – up to £100.
- **Expenses following injury or illness** – up to £800 for additional transport and accommodation costs.
- **Cancellation or curtailment charges** – up to the final invoiced cost of the journey excluding the insurance premium.
- **Personal Accident** – up to £10,000.
- **Personal Liability** – up to £2,000,000.
- **Excess** – please note: all sections of the policy will be subject to an excess per person which will be deducted from the final claim payable by the Insurance Company.

Details of the policy, its terms and conditions and exceptions, will be sent with your confirmation of booking. The cover will also be the recommended minimum insurance cover.

Important notes

Under the Association of British Insurers General Business Code of Practice, the person selling the travel insurance must draw your attention to important features of your policy including:
Policy document

You should read the document carefully. It gives you full details of what is and is not covered and the conditions of the cover. Cover will vary from policy to policy and insurer to insurer.

Health

Your policy contains restrictions regarding pre-existing medical problems concerning the health of the people travelling and of other people upon whose health the trip may depend. You are advised to read your policy carefully.

Conditions, exclusions and exceptions

Conditions and exclusions will apply to individual sections of your policy while general exclusions, conditions and warranties will apply to the whole of your policy.

Dangerous sports or pastimes

If you are going to take part in dangerous sports or pastimes where there is a high risk of injury, check that your policy covers you.

Property claims

These claims are paid based on the value of the goods at the time you lose them and not on a 'new for old' or replacement cost basis, unless otherwise stated in your policy.

Date recognition failure

Your policy may contain exclusions for losses arising from the failure of equipment or any computer program to correctly recognise the calendar date.

Policy limits

Most sections of your policy have limits on the amount the insurer will pay under that section. Some sections also include other specific limits, for example: for any single article, pair or set or for valuables in total. You are advised to check your policy if you intend taking expensive items with you.

Policy excesses

Under most sections of the policy, claims will be subject to an excess. This means that you will be responsible for paying the first part of the claim. The amount you have to pay is the excess.

Reasonable care

You need to take all reasonable care to protect yourself and your property.

Complaints

Your insurance policy will have in it a complaints procedure which tells you what steps to take if you wish to make a complaint.

'Cooling off' period

Your policy contains a 'cooling off' period during which you can return the policy and get a refund if you have a justifiable reason for being dissatisfied with the cover it provides.

Your policy is governed by the laws of England and Wales. Any legal disputes will be dealt with in an English Court. Your travel agent or insurance documentation will identify your insurer. If you would like more information, you should ask your travel agent, particularly if you feel the insurance may not meet your needs.

Please make sure you read your policy carefully.

BUTLINS BREAKDOWN INSURANCE

This insurance scheme, costing from only £10 per vehicle on 3/4 night breaks or from only £12 per vehicle on 7 night breaks inclusive of Insurance Premium Tax, has been designed to protect your pocket from those costs which can quickly mount up following a car breakdown.

You make your own arrangements for assistance following a breakdown, accident, fire or theft which leaves your vehicle immobile and the Underwriters will then reimburse you under either section a or b.

a. Emergency labour charges – of up to £300 to repair your vehicle immediately OR
b. Where the vehicle is unusable for more than 24 hours following a breakdown or illness of the sole available driver, the following expenses can be claimed:
   1. **Recovery costs** – to a local garage.
   2. **Car hire** – or alternative driver (if the sole available driver is ill) of up to £60 per day (maximum £600) or standard class rail/coach fares to reach your destination and to return home.
   3. **Emergency hotel accommodation** – of up to £40 per person per night.
   4. **Vehicle recovery costs** – to home.
   5. **Vehicle collection costs** – after your break has ended where repair is delayed.

Maximum claim: £2,500 per car.

Eligible vehicles

Your car must be less than 15 years old, in a roadworthy condition and regularly serviced (by yourself or a garage). Minibuses and vehicles with more than 7 seats cannot be covered by this scheme.

DURING YOUR HOLIDAY

Minor alterations such as the withdrawal of certain amenities, facilities, activities and entertainment may be made by Butlins for reasons beyond its control without any obligation or liability.

Accommodation

Accommodation, decor, size and layout may vary from one Resort to another. The pictures featured within this brochure are a typical representation (please note not all accommodation is identical to the pictures shown in the brochure, and note that not all accommodation is at ground level).

Maid service is defined as making beds, emptying rubbish and cleaning the bathroom daily, except Wednesday and Sundays.

Arrival and departure times

Accommodation will be available from 4.00pm on the stated day of arrival. Fully paid accommodation will be held until 8.00am on the following day and part-paid or unpaid accommodation will only be held until 10.00pm on the planned arrival date unless prior arrangements have been made with Butlins.

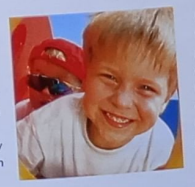
Accommodation must be vacated by 10.00am on the stated day of departure. Guests should leave the Resort by 12.00 noon on the day of departure.

A late meal will be available for half board guests arriving at their allocated restaurant prior to 7.30pm on their arrival night. Unfortunately we are unable to cater for those guests arriving after this time.

Behaviour

Please show consideration to other guests and staff at all times and treat the facilities with respect. Offensive or illegal behaviour and excessive noise will not be tolerated. If guests fail to comply with these rules, their contract may be terminated and they and their party will be asked to leave the Resort immediately (refunds will not be given). Contracts will also be terminated if Butlins has a reasonable suspicion that any guest has committed, or intends to commit an offence.

Children's services



Children aged under 8 years may not be left alone without full adult supervision. All services/facilities for children over 5 years are not child care facilities. Whilst every care is taken, children remain the responsibility of their parents at all times (as they do in all the facilities listed in this brochure).

If you have a comment

If you are dissatisfied with any aspect of your break, in the first instance, please speak to the Team Leader or Manager responsible for the area concerned. If they are unable to resolve the issue, then please speak to the Guest Services team at your Resort. They will endeavour to help you immediately so that you can enjoy the rest of your stay. If, at the end of your break, you feel that we have not dealt with your complaint satisfactorily, please write to the Correspondence Team at the Resort you visited no later than 28 days after the end of your break. We are only able to take action on any complaints which are first brought to the attention of the Guest Services team whilst you are on your break and secondly received in writing within 28 days, unless there are exceptional circumstances. We are only able to accept written complaints from the named lead party of the booking. It is necessary for Butlins to impose these limitations so that we have the opportunity to solve the problems experienced.

Damage to our property

Please treat your accommodation with care and respect. You will be held responsible for any damage caused during your stay. On departure, please leave the accommodation in a clean and tidy condition. We reserve the right to charge you during or after your stay for any loss or damage to our property during your stay.

Electrical appliances

Guests are advised not to bring privately owned electrical appliances to any Resort. However, if guests do so, they use the equipment at their own risk.

Health & safety and height restrictions

For the safety and wellbeing of our guests, not all facilities are available to everyone and height restrictions do apply on all our rides and activities. In Splash, all non-swimmers under 14 years and children aged 8 years and under must be accompanied by an adult. Only competent swimmers may use certain flume rides. Restrictions apply on certain funfair rides and other facilities. To meet certification requirements and maintain our ongoing improvement policy, all our funfair rides are regularly inspected and maintained by specialist engineers and they may be closed at certain times for this work to be carried out (please check with your chosen Resort).

Should anyone be diagnosed as having an infectious or contagious disease, they will be asked to seek outside medical assistance and to leave the Resort. Please note that we are unable to offer refunds in such circumstances and we recommend you take our insurance, see page 79 for details.

Proof of age may be asked for when buying alcohol on Resort. Accepted forms of ID are a photographic drivers licence, passport or 'Prove it' card.

Loss, damage or personal injury

Butlins accepts responsibility for those arrangements which are within its control, but cannot accept liability for any injury, loss or damage suffered by you or any member of your party unless one of the following applies:

a. There is wilful default by us, our employees or agents;
or
b. Death or personal injury was caused by Butlins, our employees or agents

For all claims (except death or personal injury) that arise from the non-performance or improper performance of terms in our contract, Butlins will pay compensation that is reasonable in all circumstances.

Listed guests only

Only the guests listed on the confirmation of booking may occupy the accommodation. If any other person/persons are found in occupation, Butlins will terminate the contract, the guests and unauthorised persons will be asked to leave the Resort immediately (refunds will not be given).

Necessary co-operation

Butlins reserves the right to require any guest to be interviewed by us, on Butlins premises, to enable us to look into instances of damage or nuisance to Butlins property or guests. Any person who refuses to comply, without a reasonable excuse, will be treated as having terminated their contract and they and their party will be asked to leave immediately (refunds will not be given).

Weather

The availability of some external facilities may be affected by weather conditions – see page 39 for details.

TV filming

Due to the increasing popularity of Butlins, we get frequent requests from TV companies to film on resort, many of which we accommodate. Please be aware that filming may be in progress during your holiday, and please ensure that you are aware of the positioning of their cameras at all times. We will not accept responsibility if contrary to your wishes, you appear on film.

Terms and conditions of reservation

OUR AGREEMENT WITH YOU

The contract

The contract takes effect when we receive your signed copy of the confirmation of booking, when you confirm and pay over the telephone with a debit or credit card or when your payment is received from the travel agent. The contract lasts until you and your party leave the Resort.

The contract binds you and all the members of your party including day visitors. It is your responsibility to ensure that all members of your party accept the terms of the contract set out in these terms and conditions of reservation and the provisions contained in the 'important information' sections. Failure to disclose all relevant information or comply with these terms may lead to termination of the contract and loss of the booking.

Your reservation

When you receive your confirmation of booking, please telephone our Administration Department if any of the details contained in it are incorrect or see your travel agent.

With this confirmation will be statements of cover for your insurance, cancellation scheme and other relevant information.

The deposit and insurance, if required, must be paid within 5 working days of making the booking otherwise the booking will automatically lapse. Payment of the balance must be made 8 weeks before the start of your break otherwise the booking will be regarded as cancelled and your deposit and insurance payment will be forfeited.

Please note: balance reminders will not be sent.

Late bookings

If payment is made at your Resort, only cash, debit and credit cards will be accepted.

Number of children

Butlins will not accept bookings for parties where there are more than six children (under 15 years) per adult. At least one adult must occupy each unit of accommodation.

Pricing

We guarantee that the price shown and agreed on your confirmation of booking for the accommodation, party size and insurance plus any supplements is the amount payable by you. Butlins will only amend prices where there is an increase in VAT or other tax which applies to your break. Please note that all prices shown are inclusive of VAT at the rate of 17.5%.

If you change your booking

If a customer wishes to add more guests to a booking, they will not be charged an amendment fee. Any other changes incur a £16 amendment charge, for example, change of date.

Any changes must be made at least 8 weeks before the start of your break by telephone to our Administration Department or in writing by the person who signed the booking form/confirmation of booking or their travel agent.

Where changes are sought to be made within 8 weeks of the start of the break it will be treated as a cancellation and be subject to cancellation charges as outlined in the next section.

If you cancel your booking

It may be necessary to cancel your break due to illness, accident or change of circumstances. If you have taken insurance, payments arising from the cancellation will be covered in most cases (see page 79 for details).

As soon as you know that you need to cancel, call the Administration Department on ☎ **0870 242 2002** (calls charged at standard national rate), or see your travel agent and confirm the cancellation in writing.

The letter must be signed (where possible) by the person who signed the booking form/confirmation of booking or their travel agent. Cancellation charges are calculated as follows from the date that your written instructions are received:-

Length of time	Cancellation Charge
56 days or more	Deposit and Insurance premium
43-56 days	30%
42-29 days	50%
28-8 days	90%
7 days or less	100%

If you have not arrived by 8.00am on the morning after your break was due to commence or contacted the Resort concerned to confirm when you will arrive, we will assume that the break is cancelled and the total cost and the insurance premium will be forfeited.

If we make any major alterations to your booking

We try very hard to provide all facilities and entertainment as advertised in our brochure. It may however be necessary to make some alterations in advance of your holiday. If such a change is necessary, we will endeavour to advise you, or your travel agent in writing as soon as possible, and give you the options in the section entitled 'Options if we make a major change or cancel your break'. For minor or last minute alterations, please see the section entitled 'Minor alterations' at the top of page 81.

If we change or cancel your booking

We will try very hard not to change the date or cancel your booking, but in exceptional circumstances, this may be necessary. Reasons for this may include (but are not limited to) the minimum number of bookings required not being achieved, or are in our view, unlikely to be achieved. We will inform you of the change of date or cancellation as soon as possible and give you the options listed below.

Options if we make a major change or cancel your booking

We will give you the following options:

a. accept the alternative arrangements as notified to you
b. choosing another available break from us at the advertised price
c. a full refund of any money you have paid

In addition to the above, and provided it does not arise from circumstances amounting to force majeure*, we will also pay you the following compensation:-

a. if after full payment, but more than 2 weeks before your intended departure date, a maximum of £20 per booking per full week break, or £10 per booking per short break; or
b. if after full payment, but within 2 weeks of your intended departure date, a maximum of £40 per booking per full week break, or £20 per booking per short break.

***Force majeure means circumstances beyond our control including (but not limited to) industrial disputes, natural disasters, fire, technical problems, bad weather and acts of government.**

Club membership

When you sign the booking form or confirmation of booking you are also applying for membership of the Butlins entertainment club which is a legal requirement in order to use certain facilities. The club is open to guests over the age of 18. The personal details given, including home address and age, must therefore be true and correct.

Travel options and offers

Full details and rates are available on page 78.

The charges for National Express coach travel and rail travel have been specially negotiated by Butlins. In nearly all cases they are cheaper than the standard fare bookable through National Express or The Association of Train Operating Companies.

Butlins cannot accept any liability for guests using these means of transport where breaks are delayed or missed as a result of strike, other forms of industrial action, cancellation or any other matters which affect coach or train schedules etc.

Guests with special needs

If a member of your party has a disability, please call us on ☎ **0870 242 0870** and ask for the Butlins Special Needs Helpline (calls charged at standard national rate), before you make your booking.

Butlins has a limited number of units which have been modified for disabled guests and the facilities available do vary. It is therefore advisable to check the suitability of our accommodation by calling our Special Needs Helpline.

The Helpline will take details of the booking and send you a confirmation of booking to sign and return with the deposit to The Call Centre. The details required include:-

- The number of disabled people in your party and a brief description of any special requirements they have.
- Details of the size and weight of any wheelchairs used. Please state if the wheelchair is motorised.
- Whether there are any medical requirements which cannot be provided by the members of your party. We will then be able to assess whether our on-site medical facilities will be able to meet your needs.
- Details of any special storage requirements for equipment or drugs, as storage space in some of our accommodation units may be limited.

Without these details it is not possible for us to guarantee that suitable accommodation will be available. In which case, regrettably, we will be unable to accept the booking. We should also point out that for safety reasons certain venues within our Resorts may not be accessible for guests using wheelchairs so please check when you book.

The **Dialysis Travel Company's** haemodialysis centres, located on each Resort, operate from Monday to Saturday. Please call ☎ **01932 855999** for more information and to pre-book treatment or visit **www.dialysistravel.co.uk**.

Funfair rides

Butlins actively works within the Health & Safety Executive's Code of Safe Practice HS G 175 Fairgrounds and Amusement Parks, which states that operators should 'take reasonably practicable measures to identify and exclude any individuals who cannot ride safely'. The code specifically includes persons who 'have a physical injury or other condition' which impairs their ability to use the ride safely. Ride attendants assess guests according to these recommendations.

Unfortunately, this may present limitations to some disabled guests, those, for example, who cannot brace or support themselves in the seating of a given ride.

We are committed to continually improving and reviewing the holiday experience for all of our guests. We are conducting an access audit of all our facilities across our three Resorts with the English Tourism Council and the Holiday Care Service. In addition we are in the process of conducting Welcome All disability and specific needs training for key members of our team. On completion of the audit and the training, we will produce literature for our special needs guests explaining the accessibility of our facilities.
